TO: Parents, Staff, Students
REF: Notification of Asbestos Reinspections
FROM: Troy Damman, Superintendent of Schools

In compliance with the U.S. Environmental Protection Agency (EPA) Asbestos hazard Emergency Response Act (AHERA), in the Fall of 1988 we performed inspections of each of our school buildings for asbestos-containing building materials. The inspection findings and asbestos management plans have been on file in each school administrative office since that time.

The EPA requires us to perform reinspections of the asbestos materials every three years. During the months of January and February, 1995, accredited asbestos inspectors performed these reinspections. An accredited management planner reviewed the results of the reinspections and recommended actions we should take to safely manage asbestos material.

Asbestos containing material is still present in some of our buildings. However, it is in a non-friable state and therefore does not pose a hazard unless it is disturbed.

All of the asbestos is in good condition and should pose no problem. Any and all evidence of damage is to be reported to our Chief of Maintenance, Jeff Bohrer, immediately.

We will take every precaution to see that the material is not damaged. We will be having inspections from time to time to determine whether or not there is a problem.

The results of the reinspection are on file in the management plan in each school's administrative office. Everyone is welcome to view these anytime during normal school hours (M-F, 8:00 a.m. – 4:00 p.m.). The asbestos Program Manager, Jeff Bohrer, is available to answer any questions you may have about asbestos in our buildings.

SCHOOL CLOSING

In the event of inclement weather or mechanical breakdown, school may be closed or starting time delayed. These events will be announced over radio stations KKOY Chanute, KLKC Parsons, KKOW Pittsburg, and KOAM-TV Pittsburg and KODE-TV Joplin. Reports in the morning will be between 6:30 and 7:30 a.m. Please do not call the school or principal's house. Telephone lines must be kept open for emergencies.

WITHDRAWAL OF STUDENTS

The parent's of a student planning to withdraw from school should report their intentions to the office. It is important that the student's record be marked to this effect, textbooks checked in, equipment and properties checked in, detentions served, and settlement of outstanding bills made. The school reserves the right to withhold credit for work completed until withdrawal arrangements are properly made with the school.

DROP OUTS

Students who are 16 or 17 years of age and wish to be exempt from the compulsory attendance law must, along with their parents, sign a disclaimer before dropping out of school and attend a counseling session with the school counselor or principal. Disclaimer forms are available from the school office.

NEW STUDENTS

Any student enrolling in U.S.D. #101 for the first time must have required immunization, proof of identity, i.e. birth certificate and social security number.

Any non-resident student must make annual application prior to attending classes. This application is subject to approval by the building principal and USD #101 Board of Education.

ACADEMIC AND INELIGIBLE STUDENT

Student Eligibility for Activities: IDA-R

At the Middle School level, all students will be eligible at the beginning of the grade level for which the activity begins (6th or 7th grade depending upon activity).

Student eligibility will be based on a semester basis. Any student receiving more than two (2) "F's" in a subject of unit weight will be ruled ineligible for the following semester.

Any student who is determined to be ineligible shall not be allowed to participate in the following semester activities. An activity is defined as any type of out-of-classroom performance, contest, etc. Also, students who are determined to be ineligible shall not be allowed to ride school transportation to any extra curricular activity.

When a student is ruled ineligible, the student and his parents shall be notified in writing.

To insure that a student is eligible to practice or participate he/she must be in school at least the last four (4) class hours of the day. The principal will render a decision under special circumstances.

Students who do not attend school fourth hour through seventh hour of the school day shall not participate in school activities, including practice sessions, school performances, or any school-sponsored events, unless a previous arrangement for the absence have been made through the school office. Activity sponsors are responsible for enforcing the regulation.

MIDDLE SCHOOL PROMOTION REQUIREMENT

In order to complete either the 7th or 8th grade a student must have passed six (6) of eight (8) credits in the four major subject areas (language arts, math, science and social studies). A student who fails to comply with this requirement may ask for a hearing with a review team for further consideration.

Any student not meeting 8th grade promotion requirements may not participate in the 8th grade promotion ceremony nor attend the 8th grade trip.

HONOR ROLLS

The Honor Roll will be announced at the end of each semester. There will be two categories, High Honors and Honors.

High Honors – no grade on grade card lower than A-.
Honors – at least one A and all the rest B- or above.

EXAMINATIONS

Teachers may administer tests in their classes at their discretion during the school year. A definite date and time may be provided for final semester examinations. Students who fail to take semester examination may be given no credit for the examination. All examinations (except finals in May), tests, term papers, and major assignments handed in by students will be corrected and returned by the teacher.

Students using inappropriate means to complete school work will be given "0" for that work and will be referred to the office.

GRADE REPORTS

There will be two nine-week periods in each semester, with one final grade at the end of the semester. Students will receive a progress report at the end of the first nine weeks, showing both percent of success and a letter grade, ie; 70 percent, grade C-. At the end of the semester, the grade will be the accumulation of the student's scores during the semester and that will determine the grade to be placed on a permanent report card.

Progress reports will be sent to parents of students currently averaging D's and F's following the mid point of each nine-week period.

Grade cards will be sent home with the student, with the exception of the final grade card of the year, which will be mailed.

GRADING SYSTEM

The following grade scale will be used in all Attendance Centers of U.S.D. #101:

A 90-100%	B 80-89%	C 70-79%
D 60-69%	F 59-below	

CHECKING OUT OF SCHOOL

1. After a student has reported to school he/she is not to leave the building at any time except after reporting to the office and receiving permission.
2. If a student finds it necessary to leave during the day, he must report to the office for permission, which requires approval from parents/guardians.
3. Failure to follow the proper procedure when leaving the building will result in disciplinary action taken at the discretion of the administration.

ATTENDANCE

Absences and excuses: JB

The purpose of this policy is to aid in meeting the district educational goals and comply with state law and district attendance requirements.

Requirements

All students enrolled in U.S.D. #101 schools are required to attend all classes promptly and regularly beginning with the official first day of school.

Absences from class for school sponsored activities are not considered as being absent from school, but all work missed must be made up.

The attendance standards will also apply to special education students unless otherwise stipulated in an I.E.P. or as modified at the discretion of the Multi-Disciplinary Team.

Absences and Excuses: JB-R (Grades K-12)

Responsibilities

Students and Parents: The primary responsibility for regular attendance rests with students and parents (or guardians). Parents are responsible for notifying school attendance personnel **PRIOR** to planned absences, or on the **FIRST DAY** of an unplanned absence. Planned absences must be in the best interest of the student (when being absent is more important than being in school). Written notes will be accepted from parents, who do not have phones, if the note accompanies the student **ON THE FIRST DAY OF RETURN, OR PRIOR TO PLANNED ABSENCES**. Missing class without such notice is considered to be an absence without parental and school approval. **FAKED PHONE CALLS WILL RESULT IN SUSPENSION.**

Toll Free phone numbers are available for parents to call the attendance center their child attends. The numbers are:

District Office	1-800-498-1013 or 244-3264
High School	1-800-498-1014 or 244-3288
Middle School.....	1-800-573-2470 or 763-2470
Elem. School	1-800-498-1015 or 244-5161

Students returning to school after an absence must report directly to the office. **Students must coordinate make-up work for all excused absences with their teachers.**

ILLNESS DURING SCHOOL

If a student becomes ill during the day, he may not leave without checking out through the office. Students not ill enough to leave school will remain in their classrooms. Those students waiting for parents or rides may wait in the office area.

TRUANCY

Regular attendance is required by law for students under the age of 18. Any student under 16 years of age who is absent more than three (3) consecutive days or five (5) days in any semester or (7) days in a year, without valid excuse acceptable to the principal is considered truant in the legal sense of the term.

Applies to students under 16 years of age:

When a student is truant, the principal will notify the District Superintendent by letter stating:

1. Student's age and birthday
2. Parent's name, address and telephone number
3. Number of days and dates truant
4. Efforts taken by the school (home visits, telephone calls, etc.) to remedy the situation.

The principal will notify, by letter, the student, parents or guardian, county attorney, or SRS and pass on the above information.

ADVANCE NOTICE OF ABSENCE

It will be the student's responsibility to plan ahead, forewarn each instructor in a timely manner of a planned absence or activity and obtain assignments.

Teachers are responsible to provide advanced assignments to students who need to be absent when requested.

MAKE-UP WORK

In many cases, classes are taught in a progressive manner and in a logical sequence. One lesson may be the groundwork for all succeeding lessons. It is to the discretion of each teacher to determine specific requirements for make-up work in each class. An expected requirement would be conferring with the student outside of regular class time (before, during, or after school), to help bring him up to date.

A reasonable amount of time for make-up would be interpreted as the number of days absent plus one-day. Students will be given number of days absent plus one day to complete the make-up work. If the work is not made up during the time allowed, the student will be given a "0" for all work not completed.

TARDINESS

Students will be counted tardy if they are not in class according to classroom procedure when the bell rings.

SAFETY DRILLS

Fire and tornado drills are held regularly to develop safety practices that will help students react quickly and safely in

a real emergency. Rules of safety and evacuation routes are posted in each classroom. All persons are asked to take seriously these drills because personal safety in a real emergency depends on our readiness to react to any situation.

The purpose of SIT is to provide a collaborative problem – solving process for teachers, parents, and students to develop intervention plans that attempt to assist students with academic or behavior concerns in the classroom and ensure success for every student. The SIT process allows schools to focus and connect resources for students experiencing such difficulties. The SIT process seeks to connect students with appropriate available resources and, at the same time, promote building evaluations which encompass every student.

SPORTSMANSHIP

A school never produces a truly championship team unless students, fans and spectators have exhibited good sportsmanship. Good sportsmanship is contagious and will be the top priority of every school.

The acceptable best way to support one's team is to do just that - **Cheer For Your Team, Not Against the Opponent!!!**

Good sportsmanship is resisting any negative behavior that tends to influence the outcome of a contest. Yelling during free throws, obscenities, and booing of players and/or officials, chanting You! You! are evidence of poor sportsmanship. Suspensions may result for unacceptable sportsmanship/conduct.

We never get a second chance to make a good first impression. Let us strive to insure that sportsmanship is noticeable in all #101 schools.

DRESS CODE – STUDENTS

Each student attending #101 schools shall be responsible for maintaining appropriate school dress and for the development of personal grooming standards, which will result in a neat, clean personal appearance.

Extreme, offensive, sloppy styles, which are disruptive, will not be allowed. Clothing or other wearing apparel that promotes and/or advertises alcohol, tobacco, illegal substances or sexual connotations will be prohibited.

No body piercing jewelry will be allowed that is a distraction to the learning environment.

The building principal is responsible for requiring students to make improvements in grooming when such appearance does not give indication of effort to dress appropriately, to be neat and clean, or whose appearance is disruptive.

Students who participate in or attend interscholastic activities will be expected to adhere to the personal appearance standards developed by the directors or coaches of those activities and as approved by the building principal.

The following items listed are some (not an all-inclusive list) that are considered inappropriate for school wear:

HALL PASS

Hall passes are issued to students by the classroom teacher.

Hall passes may also be used by administrators and counselors when requesting a student from classrooms. Usually a counseling appointment will not involve the entire period.

Other personal reasons (locker privileges, restroom, etc.) will be handled by the teacher. These reasons should be of an emergency nature and not because the student necessarily desires to do so. These will be issued on a limited basis, and if abused, the privilege will be withdrawn.

TEXTBOOKS

The student is responsible for maintaining his book in good condition and for returning it to the issuing teacher at the conclusion of the course or upon withdrawal from the class. A student who damages a book must pay an amount sufficient for restoring the book to its original condition. If a book

is stolen, the student to whom the book was issued is responsible. All books for which a student is responsible must be returned to the teacher or paid for before grade cards, transcripts or diplomas will be released. This applies to library books also. A student is expected to give his own name if asked for by a teacher who is dealing with a problem situation.

CARE OF PROPERTY

We have a good school building and campus due to the care given it by our custodians and because teachers and students are careful not to abuse it. In the event a student is apprehended for willfully and maliciously mutilating, defacing, or destroying school property the student will be suspended in accordance with Board of Education policy. The student will also be required to pay a dollar amount, including labor,

cost, for repairing the damages. Damage resulting from accidents or horseplay may result in full payment by the student(s) responsible. Parents and taxpayers are legally required to pay taxes that build and maintain our school. Damage done to facilities or equipment, athletic uniforms or equipment, buses, or books must be paid for with your own family's money. Help protect your school and report vandalism by others. Remember, most trouble starts as fun.

LOCKERS

Students are assigned lockers at the beginning of school. These lockers and lock combinations are recorded in the office for the student's convenience. Students are not to change lockers for any reason. All lockers are to be kept shut when not in use. Only school owned locks may be used.

Lockers will not contain nude pictures, advertisements or paraphernalia pertaining to alcohol or drug use or any other material the administration deems unacceptable or unsuitable for display in the school.

TRANSPORTATION POLICY

All students in our #101 schools who ride a bus are subject to regulations. Any misbehavior, which distracts the driver, is a very serious violation and jeopardizes the safety of everyone. Students must abide by the following:

1. The driver is in charge of the students and the bus. Students must obey the driver promptly and cheerfully.
2. The driver may assign a seat to each student. Each student must be provided a seat. (Students in less desirable seats may move to a second assigned seat for added comfort after the passenger load is lightened if permission is first obtained from the driver and if the bus is not in motion).
3. Students must be on time. The bus cannot wait for those who are tardy.
4. Students must never stand in the road while waiting for the bus. All students must wait for the bus off the traveled portion of the road. Students should wait in an orderly manner and never push a fellow student.
5. Unnecessary conversation with the driver is prohibited. Do not talk loud or distract the driver's attention. Remember, safety is in the driver's hands.
6. Outside of ordinary conversation, classroom conduct is to be observed. Profanity will not be allowed.
7. Students may not throw waste paper or other rubbish on the floor of the bus. Help keep the bus clean and sanitary at all times.
8. Students must not at any time extend arms or head out of bus windows.

10. When leaving the bus, students must observe directions of the driver. If one crosses the road, do so in front of the bus after making sure the highway is clear.
11. Any damage to the bus is to be reported at once to the driver.
12. Students riding a bus during a stormy season are advised to listen to their home radio for storm warnings and to unsafe conditions, such as heavy snows or floods, and not attempt to reach school when so forewarned.

Bus drivers shall report any violation of said rules to the appropriate administrator who shall take the necessary steps to discipline students according to board policy. As a disciplinary action for violation of board rules, a student may be refused bus transportation but required to attend school.

Students in activities are required to ride school transportation to the activity to be eligible to participate.

In the event the parent/legal guardians of a student desire to transport their youngsters home from an activity, the parents/guardians must sign a form furnished by the sponsor at the activity, wherein they acknowledge and accept the release of the student from the supervision, care, custody, control, and responsibility of the district to the parents/legal guardian. **A student may not be signed out by someone else's parent or guardian.**

ATTENDANCE-PARTICIPATION IN ACTIVITIES

In most cases students absent a significant part of the day (fourth hour through seventh hour), the day of the activity are not eligible to participate, practice or be in attendance in that day's activity. The principal will be responsible in reviewing the circumstances and he alone will render a decision of eligibility. All cases are contingent upon circumstances. As a rule if a student is too sick to attend class all day then participation will be denied. Arrangement for exceptions to this must be made in advance whenever possible.

Those students who have been suspended either in-school or out-of-school may not participate in any activities or be on school property (except to serve the in-school suspension time) until reinstated by the building principal.
